SINCE 1969

**Dear ASTE fellow and colleagues,**

First of all, congratulations on your company's 30th anniversary!

We are KAI SUH SUH ENTERPRISE CO., LTD from Taiwan.

We have cooperated with your company for more than 25 years since 1996.

ASTE is a powerful company, innovative, stable and challenging, and enjoys a high reputation in Poland. ASTE is a great partner that we have cooperated extremely well for many years.

In the past, we have a lot of valuable experience in cooperation. No matter whether the quality of the product meets your requirements, or even the delivery requirements, I have never let you down.

In a fiercely competitive environment, in addition to considering quality, we also face the challenge of cost increase together. These many back and forth discussions have allowed us to reach an agreement, and we can achieve a win-win situation in the market.

Looking forward to the next 30 years, we will work together again to create a very beautiful achievement.

Congratulations again, ASTE, you are the best!

Best wishes
